SERVING THE COMMUNITY SINCE 1982

For over 30 years, Sedona 30 has been a driving force in supporting nonprofit organizations and enhancing the Sedona community. Comprising 30 esteemed professionals and business leaders, this nonprofit membership corporation is committed to the betterment of Sedona through fundraising and philanthropy.

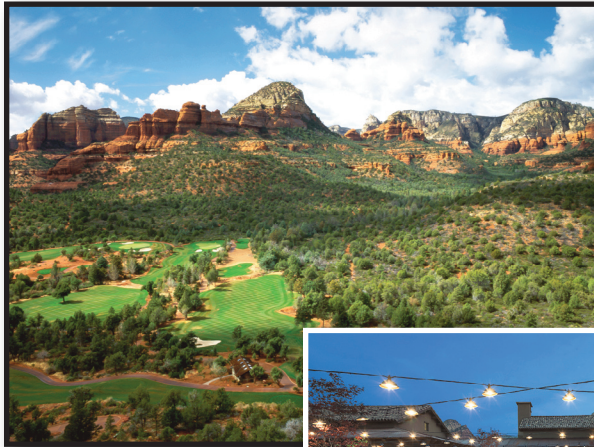

Sedona 30 has a legacy of making a profound impact on the community. As the driving force behind the Sedona Performing Arts Center, the organization has contributed over \$150,000 to its development. The last Miracle Dinner in 2019 raised more than \$64,000, funding the purchase of state-of-the-art lighting and sound equipment to enhance the venue's capabilities.

This year, a portion of the proceeds will support Sedona Cultural Park 2.0, a nonprofit dedicated to preserving the Cultural Park and Amphitheater as a public arts and cultural hub for Sedona and the greater Verde Valley. Additionally, funds will go toward programming at the Sedona Performing Arts Center for the High School, fostering arts education and engagement for local students.
